

FSVC Patient Arrival Policy

Last Modified: 01/30/2023

For your protection, and that of others, all dogs must be on a leash and properly controlled while in the waiting area or exam rooms. All cats must be presented in an appropriate cat carrier or on a leash. Please complete your pet's history form prior to your pet's appointment. If you or your pet is coughing, sneezing, vomiting, or showing any other signs of a possible infectious disease, please remain in your vehicle with your pet. Once you arrive, please call us at [217-241-2287](tel:217-241-2287) and we will provide you with further instructions.
