

## **FSVC Patient Arrival Policy**

Last Modified: 05/14/26

For your protection, and that of others, all dogs must be on a leash and properly controlled while in the waiting area or exam rooms. All cats must be presented in an appropriate cat carrier or on a leash. Please complete your pet's history form prior to your pet's appointment.

If you or your pet is coughing, sneezing, vomiting, or showing any other signs of a possible infectious disease, please remain in your vehicle with your pet and call us at 217-241-2287 once you arrive. We will provide you with further instructions upon your arrival.
